### Progress Report on

### “Establishment of Chinthana Multipurpose Training/Rehabilitation Center in Ajjampura”

November 2019 to April 2021

#### **Introduction:**

The construction of Chinthana Multipurpose Training/Rehabilitation Centre has been successfully completed in Ajjampura block, Chikmagalur district, Karnataka state with the valuable support from the “Families of Parpia, Menon, Srinath, and People for Progress in India, Seattle, WA. Simultaneously, the necessary plans are going on towards maximum utilization of this centre to continue our dedicated social service for the needy community.

#### Progress in Brief:

- As per the plan, the final painting, lighting and interior work has been completed.
- Solar water heater, solar energy lights and rain water harvesting unit has been installed and we are utilizing these eco-friendly resources for most of our regular requirements
- The plaque with the names of donors “Fund donated by-Families of Parpia, Menon, Srinath, and People for Progress in India, Seattle, WA” has been placed in front of the building
- The name board of CHINTHANA FOUNDATION was also developed in front of the building
- The office of CHINTHANA foundation has been shifted to this new building and all the staffs are working from here.
- The monthly staff meeting is happening at this centre
- We were conducted few trainings to BSW (Bachelor of Social Work) students
- Kuvempu Jayathi was also celebrated in this multipurpose centre
- The district level training to volunteers for ASER children education survey project was also organized here few weeks back
- Similarly, we are planning and conducting training on other development issues like organic farming, tree plantation, soil and water conservation, renewable energy and etc. Due to the effects of second wave COVID, we are minimizing training programme for the time being.

Once again, on behalf of CHINTHANA FOUNDATION, we would like to take this moment to convey our thanks to “Families of Parpia, Menon, Srinath, and People for Progress in India, Seattle, WA, USA” for their valuable support and cooperation in complete the construction of Multipurpose Training/Rehabilitation centre. The team of CHINTHANA FOUNDATION is fully involved in proper utilization of this Multipurpose training centre to continue our dedicated services for the needy community.
