COVID 19 response 2020

COVID 19 PREVENTIVE CAMPAIGN IN March 15, 2020:

IRDRP through Habitat Solid ground campaign We are proud to be first NGO who started Preventive activities against CORONA from March 15, 2020 at Anjur Village, Paranur village, Etchenkaranai village, Pazanthandalam village, Pazaveli village, Karumpakkam village and perumpedu villages in Chengelept District without knowing the wide spread of the disease. We gave awareness and demo on Hand wash and personal hygiene and distributed soaps, sanitizer, liquid soap and mask to Tribal families in above villages.

IRDRP with the support of People Progress in India (USA): IRDRP directly supported Migrant workers in Trisulam and dharkast and Tiruneermalai under the instruction of Chenglepettu District Collector. We supported 200 migrant workers by giving rice, vegetables, soaps, biscuits and napkins.

Mr.Saravanan Tambaram Tahsildar was kind enough to come over all these Three areas and distributed relief family essential kits to them. People were happy in receiving all these materials. They expressed thanks to Government officers and Collector for helping them.
