8. Description of project activities :

Since 24th March 2020 i.e., from starting of “lockdown period” many poor and daily wage families are losing their survival by the Covid-19 Crisis. The lockdown in wake of COVID- 19 has been particularly catastrophic for the poor and those falling in the daily wage bracket. Due to spreading of virus in Kadapa District, most of the Factories are closed and most of the construction works postponed. So many of the poor labourers were lost their jobs. The main victims of this "lockdown" are daily wage labour such as construction workers, Shop workers, factory workers, hotel workers, street vendors, agricultural labour. So we have selected 100 such poor families and decided to help them with essentials commodities like rice, wheat, cooking oil, vegetables, soaps, handwash liquids, masks etc., on emergency relief with the donation received from '**People for Progress in India' USA.**

After receiving the grant support from 'P.P.I., USA, we have purchased the following essential commodities and sanitation items to distribute among the beneficiaries:

We have distributed the items in the following quantities.

SL. NO.	Name of item	Quantity x Rate	Amount Rs.
1)	Rice	7 kgs x Rs.50	350
2)	Wheat Flour	5 kgs. x Rs.40/-	200
3)	Cooking Oil	1 Ltr. X Rs.100/-	100
4)	Sugar	1 Kg. x Rs.50/-	50
5)	Salt	1 Kg. x Rs.20/-	20
6)	Dhall	1 kgx Rs.105	105
7)	Dry coconut	1/2 kg	90
8)	Tamarind	1/2 kg	95
9)	Chilli powder	200 grams	40
10)	Vegetables	3 kgs	150
11)	Fruits	2 kgs	100
12)	Masks	4 x Rs.20	80
13)	Hand washing liquids	1 x Rs.125	125
14)	Soaps	4 x Rs.30	120
	Total per each household		Rs.1625
	For 100 households	100 x Rs.1625	Rs.1,62,500

The distributed commodities will feed these families for upto 3 weeks.

In addition to the food items distribution, we have conducted some form of education on how to effectively prevent against COVID-19.

The Health Worker organized Awareness Creation among the People Regarding the Safe Practices for Avoiding Covid-19 Infection.

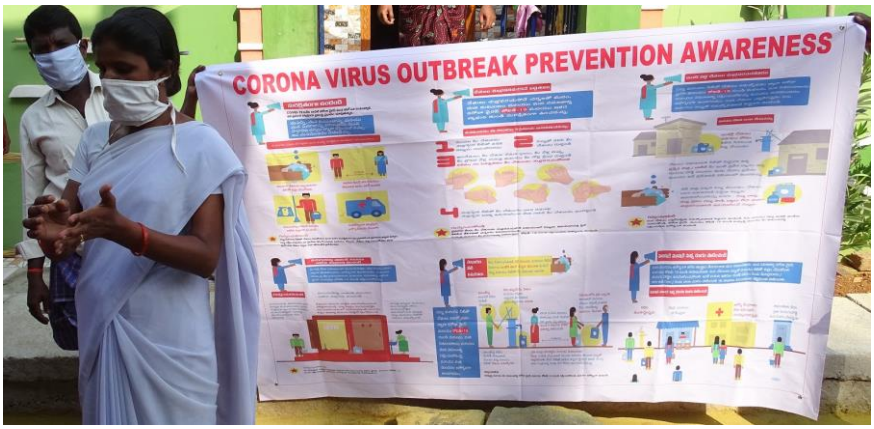

Photo showing our Health Worker Mrs.Hemalatha and a banner containing the awareness information in local language with photos on Corona virus outbreak prevention

The Health Worker Mrs.Hemalatha created awareness campaigns through posters, banners and pamphlets. She educated the people about Public health measures such as hand hygiene, respiratory etiquette and environmental cleaning in the home are the cornerstone public measures to protect individuals, their families and others against seasonal influenza and other respiratory viruses. She explained the application of these principles will help prevent and control transmission of any respiratory infectious disease, including COVID-19.

Photo showing, the Health Worker (wearing white saree) is conducting awareness on Covid-19 among the beneficiaries.

The Health Worker also created awareness among the people about the following advices to the entire world given by WHO :-

You can protect yourself and help prevent spreading the virus to others if you: Do Wash your hands regularly for 20 seconds, with soap and water or alcohol-based hand rub, Cover your nose and mouth with a disposable tissue or flexed elbow when you cough or sneeze, Avoid close contact (1 meter or 3 feet) with people who are unwell, Stay home and self-isolate from others in the household if you feel unwell, Don't Touch your eyes, nose, or mouth if your hands are not clean.

The Health Worker conducted house visits and creating awareness among the women at their houses.

The Health Worker is teaching about the Soap Hand Washing Methods steps wise.

Please "Click" on the following video links to see them Soap Hand washing training to the women and children.

https://www.youtube.com/watch?v=NBs663nbFv8&feature=youtu.be
https://www.youtube.com/watch?v=kVDStedxsBc&feature=youtu.be

The Health Worker also educated the people about the following topics to avoid corona crisis:
(1) Hand hygiene, (2) Use of masks by every person, (3) Environmental cleaning and ventilation, (4) Cleaning the home and co-living setting, (5) Social distancing, (6) Isolation (7) Voluntary home quarantine ("self-isolation"), (8) Protective self-separation, (9) Voluntary avoidance of crowded places, (10) Mandatory quarantine, (11) Self-monitoring, (12) Respiratory etiquette, (13) Community-based measures, (14) Avoiding crowding, (15) Public education and communication.

The beneficiaries and their family members feeling happy with the support of **"People for Progress in India, USA'** and expressed their gratitude to the members of P.P.I. for their generous help.

Our SPREAWS Team members also expressing our gratitude for the helping hand extended by P.P.I.for these poor people.

With best wishes.

Yours faithfully,
C.S.Sajid Hussain
President-SPREAWS
